## Resizing and Rotating

Use the  **select** tool to select one of the shapes above (by tapping on it). This will bring up three handles. Drag the green circle to rotate the shape. Drag the white circle to resize the shape. The third handle is the drop down menu. We will explore this option later.

## Infinite Cloner

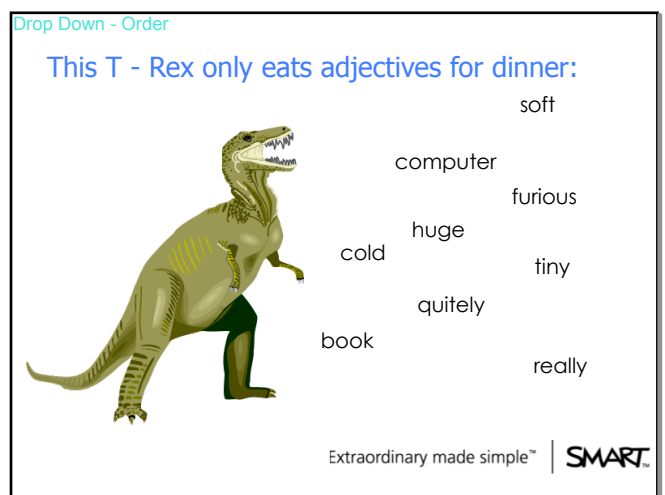

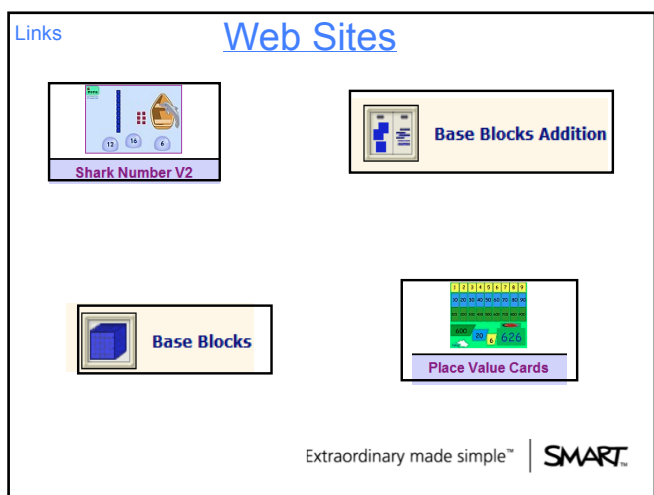

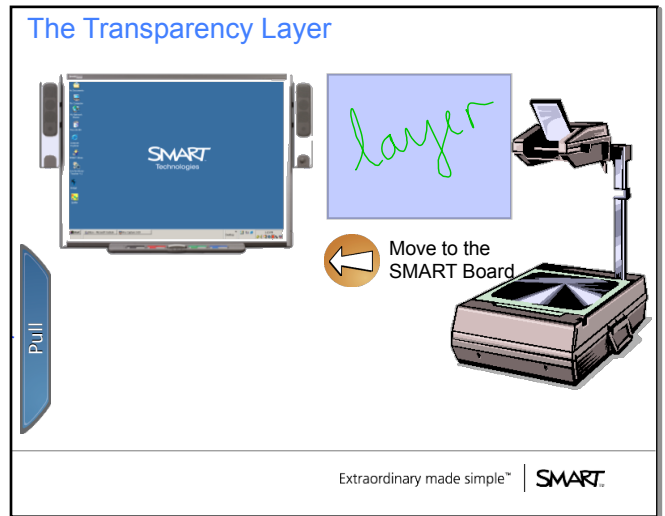

The **infinite cloner** from the drop down menu allows you to create multiple copies of one item. Click on 'Dolly the Sheep'. From the drop down menu, **select infinite cloner**. Now you can drag multiple copies of Dolly onto the page.
